## Redwood Empire Quilters Guild Fund Grants

The purpose of Redwood Empire Quilters Guild is to promote the appreciation and knowledge of quilts; sponsor and support quilting activities and educational meetings; and encourage making, collecting and conserving quilts.

This grant/fellowship is established to encourage interest and activities in the quilting arts field by supporting educational opportunities and the cost of supplies. The community outreach effort in the quilting arts is an important consideration for disbursement of these funds. Giving back to the community through charitable work and efforts to preserve the historical perspective are additional elements that may be included.
