Happy birthday Sarah Carter! The Sarah Carter Scholarship Fund is for Eureka High School seniors who wish to continue their education in the arts and humanities. Carter was a highly respected and successful teacher who, as a young woman, received a gift that allowed her to obtain a master's degree at UC Berkeley. She paid that gift back through her community work in many local and state organizations. Sarah Carter turned 100 on December 15, 2004, and she passed away on August 28, 2005.

THE FUTURE OF GIVING
Youth Engaged in Philanthropy (YEP) students were one of several funding partners to present checks during the annual Holiday Funding Partnership Dinner on November 1. In this photo Esther Hutton thanks the Fortuna students for a check supporting Manila Community Center's Thanksgiving Dinner.

Humboldt Area Foundation
WELCOME, NEW BOARD MEMBERS!

We are excited to welcome two new members to the Humboldt Area Foundation Board of Directors!

David Finigan is a real estate broker and owner of Finigan Real Estate in Crescent City, where he served 5 terms as county supervisor. He also serves on the board of HAF affiliate Wild Rivers Community Foundation.

Christina Huff is chair of the board for Humboldt Health Foundation and is active in many regional issues. Previously the Coordinator of the Southern Humboldt Community Resource Center, she is currently an independent consultant and trainer.

WHAT HAPPENED IN NOVEMBER?

- By bringing together donors with a shared interest in social justice, our donor circle was able to award $160,750 to 9 groups, two serving the African American population, three Native serving, and two serving LatinX immigrants.

- Thanks to quick and coordinated efforts by Wild Rivers Community Foundation, HAF was able to award a $5,000 Rapid Response Grant to the the Family Resource Center of the Redwoods the same day they announced their food pantry shelves were bare. Community partners have also stepped up to make sure families dependent on the pantry had food for Thanksgiving, and a fundraising campaign is ongoing for this important resource.

- Humboldt Health Foundation awarded grants to several Southern Humboldt organizations including Redwood Rural’s dental satellite clinic and the Healy Senior Center's Meals on Wheels Program.

Paintings by Native artist Tiffany Adams are now on display at the HAF Community Center. The portraiture exhibit *Ink and Skin and Bone* is a "(re)writing and (re)righting of past anthropological and stereotypical representations of California Indigenous womxn’s tattoo culture."
